

R-Anell Homes® In-House Experience

Do you ever find yourself reading or looking at a decor magazine, but can't picture what it will look like in your home? Sure photos are great, but our *In-House Experience* allows you to mix and match decor options! Use our In-House Experience to customize your dream home colors and get an actual visual!

R-Anell has three different kitchens to pick from: Summit, Rockbridge, and Blue Ridge.

Select from countertops & backsplashes, cabinet colors, vinyl floor options, appliances, even your kitchen sink!

Our Exterior experience will show you options such as roof pitches with a dormer, siding color, shingle color, trim color, shake & vertical siding, not to mention front door options!

Want more elevation?
We even have a Two-Story option!

Kitchen options galore!
